Government of Haryana
Department of Industries & Commerce
G.O. No. 2/2/2016-4I BII dated 2-6-2016

Subject: Standard Marketable Measurement Units as part of specification in respect of stores like chemicals, medicines and any other such items to be procured at various levels.

Whereas sufficient provisions have been made in the existing Govt. Instructions with regards to standardization of 'Technical Specifications (TS)' and other General Terms & Conditions for the finalization of procurement, Standard Marketable Measurement Units as part of specification have been inviting attention of the State Government from some time. It entirely depends upon the assessment of the buyer Department/ Organization about total quantity to be purchased and packaging unit for each quantity of the purchase keeping in view their requirement. However, the Indenting Department/ Organization may also verify the Marketable Measurement Units of the Store from the adjoining States/ similar Departments/ Agencies who are the regular buyer of such Stores for meeting their needs which are similar to the Indenting Department. Adoption of such Standard Marketable Measurement Units for Stores will help in arriving at reasonability of rates of the Store in a precise manner.

Having considered the relevant issue, the Govt. has decided that while formulating the Indent, all the Departments/ Organisation(s) may examine the specifications/ packaging/ size etc for similar Store being adopted by DGS&D GOI, neighbouring States & other procurement Centralised/ State Agencies (except where standard specifications like ISI are followed) and if it suits their requirement, then adopt same specification which may be dully approved by the concerned Administrative Secretary. In case, the Indenting Departments/ Organisation(s) adopt such specifications, which are not adopted by DGS&D GOI, neighbouring States & other procurement centralised/ State Agencies, then it should be specifically mentioned in the Indent with detailed justification of such deviation and the same may be dully approved by the concerned Administrative Secretary. In case of Boards/ Corporations/ Federations etc, detailed justification for any such deviation should be made a part of the Agenda Note.

The above instructions are in further clarification to the existing Govt. Instructions Para 5- Technical Specification of Goods & Stores to be procured of G.O. No. 2/2/2010-4I-BII of dated 28.05.2010 & Para II of instruction issued vide memo no

Government of Haryana
